RHEUMATISM PREVALENT.

Caused by the Sudden Changes of Temperature.

PEOPLE WHO HAVE FOUND RELIEF.

Rheumatism is more prevalent here than ever before. When this disease fastens upon an individual with its soreness and pain, swelling the joints, rendering him helpless in his movements, and shattering his usefulness, he is indeed an object of pity.

The slight pain in the back, pain or stiffness of the joints or muscles, is a warning indication of an improvised condition of the blood, a low state of health, and if not attended to at once, means rheumatism.

Rheumatism can now be relieved and cured.

Since the introduction of Favorite Remedy, by Dr. David Kennedy, of Rondout, N. Y., there has been fewer sufferers than ever before.

Favorite Remedy drives out rheumatic poison from the blood, restores the circulation, strengthens the nerve power.

The best proof of its value is the good it has done.

"I was afflicted with inflammatory rheumatism for fifteen years, writes Mr. E. P. Taylor, of East Nassau, N. Y. So severe that I was supposed to be a cripple for life. Under physician treatment I grew worse. Dr. Kennedy's Favorite Remedy helped me from the time I first used it, and entirely cured me. Have felt no trace of the disease since, and that was three years ago."

The beautiful daughter of Mr. James McFarland, of DeMoines, Ia., was helpless for months with sciatic rheumatism. After a few doses of Dr. Kennedy's Favorite Remedy, she began to grow better, appetite improved, slept well, and continuing its use, was cured.

"I was confined to my bed with rheumatism near my heart, writes Mr. C. L. Seaver, of Birmingham, Conn., and used Dr. Kennedy's Favorite Remedy but a short while before it drove the rheumatism out of my system."

Mr. O. Lansing, of Troy, N. Y., had rheumatism so bad that he had to be turned over in bed. After using Dr. Kennedy's Favorite Remedy but a short while was restored to health.

What reason then for suffering with rheumatism or neuralgia. This medicine will help you if given a trial.

OBITUARY.

Alfred Gillette Williams was born of Welsh parentage in Steuben, Oneida county, N. Y., Nov. 21st, 1832. His parents with their family moved to Adrain, Mich., in 1832, and there he passed his boyhood days. At the age of 17 years he went to Gorham, Ohio, to clerk in a store and thence to Grand Rapids, Mich., where he engaged with the dry goods firm of Telford & Porter. At the latter place he acquired a thorough knowledge of the mercantile business in which a good part of his life was spent. Then removing to Maumee City, O., he engaged with a firm for which he traveled in Iowa and other Western States. That country was new, and Mr. Williams was obliged to endure the privations incident to frontier life, but in this efficient school of experience was gained that knowledge of men and things so helpful in his business career.

In 1860 he and his brother came to Perryburg and engaged in the dry goods business. In later years he withdrew from this firm since which time various business undertakings occupied his attention.

More important than all these things was the religious life of Mr. Williams. His parents were devout Christians, members of the Baptist church; a grandfather had been a Baptist minister. But in the year 1854 while in Maumee came the rich, deep, spiritual awakening and experience which left no doubt as to his acceptance with God, that marvelous touch of the Divine life of which the Savior spoke when he said, "Ye must be born again." Father Pope administered the rite of baptism by immersion in the Maumee river. Mr. Williams united with the Methodist Episcopal church, of which he has remained a faithful and consistent member. He loved the church and was ever aggressive for her welfare. For over 30 yrs. in this church, now so sorely stricken, as steward, trustee, class-leader and Sunday School teacher, he has exhibited his deep interest in the cause of Christ. If financial aid was needed, all that was necessary was to inform Mr. Williams. The pastors of this church will all testify to his invaluable assistance as counselor and friend.

In the Fall of '91 at the Lay Electoral Conference he was elected one of the two delegates to the General Conference. He esteemed it the greatest honor of his life, and performed the duties devolving upon such delegates faithfully and well. In character he was sturdy and fearless, upright in his dealings with men, a man whose word was as good as his note. As a citizen his love for Perryburg was only exceeded by his love for family and church.

The illness that took Mr. Williams from earth to Heaven came suddenly. Though pneumonia is loth to give up her victims, yet no one felt the end had come.

On Sunday morning when Rev. Shaw went to see him he lifted his hand toward Heaven and his face became radiant as he exclaimed, "Oh, I have received such a blessing this week." Rev. Shaw hearing him express his trust in God came away little supposing those to be his farewell words to him. On Monday morning a little after four he passed away, leaving undoubted evidence of his acceptance with God.

The funeral of Mr. Williams took place from the M. E. church at 2 p. m., Wednesday, Oct. 19, and was one of the largest funerals ever held in any church in Perryburg.

The following Ministers were present and assisted Rev. Shaw: J. H. Bethards, of the Broadway church, Toledo; N. B. C. Love, of Columbus Grove; G. D. Waggoner, of Upper Sandusky; O. D. Johnson, G. A. Adams and Henry Warner, of this place.

Resolutions of Respect.

At a regular communication of Phoenix Lodge, No. 124, F. & A. M., held at their hall, on Monday evening, October 17, 1892, the following resolutions of respect to the memory of Bro. Alfred G. Williams were unanimously adopted:

WHEREAS, after a long and useful life, our Brother, Alfred G. Williams, has been called from labor to refreshment, and

WHEREAS, his Brethren of Phoenix Lodge desire to bear fitting testimony to his worth of character as a man and brother Mason, therefore, be it

Resolved: That we mourn the loss of a true citizen, a devoted Christian, and a most worthy friend and Mason, who ever strove to discharge faithfully the great duties to his God, his neighbor and his only.

Resolved: That we sincerely sympathize with his family in their affliction and bereavement, and we offer the consolation that he that doeth all things well, has promised to give to the faithful follower, to "eat of the hidden manna," and to receive "the white stone with the new name written," that will insure perpetual happiness.

Resolved: That those resolutions be spread upon the records of the Lodge, a copy under seal of the Lodge be presented to the family, and a copy furnished the JOURNAL for publication.

The Laxative Gum Drop.

This new cathartic is the most delightful form of a laxative that has ever been offered to the public. It is in the form of an ordinary gum drop, but has no medicinal taste, and can be eaten like a piece of confectionery. The results, too, are pleasant. It is the most complete remedy for dyspepsia, summer troubles, biliousness, headache and all those maladies for which the ordinary cathartic is prescribed. It acts as a gentle stimulant, not violent, but perfectly safe, and certain. In this respect it is far superior to the ordinary pill, with the additional merit of not being disagreeable to take. It is just the thing for children on this account and for people with weak stomachs. Those gum drops are put up in packages, the small ones selling for ten cents and large ones for twenty-five cents. If your druggist does not have them we will send them to you by mail on receipt of the price. But we would prefer to have you get them from your druggist. SYLVAN REMEDY CO., Peoria, Ill.

A Prize Picture Puzzle.

EXPLANATION.—The following picture contains four faces, a man and his three daughters. Any one can find the man's face, but it is not so easy to distinguish the faces of the three young ladies. The picture was published in a few newspapers some time ago, and attracted considerable attention as our standard remedies. We now offer a new prize competition in connection with it. As the sole object is to introduce our medicines into new homes, those who entered the former competition are requested not to compete in this one. As to the reliability of "The Ford Pill Co.," and the estimation in which their medicines are held in Toronto, Canada, where they are best known, patrons are referred to the daily newspapers, wholesale druggists and leading business houses generally of Toronto.

The proprietors of "The Ford Pill Co." will give an elegant pair of **Shetland Ponies, Carriage and Harness**, valued at \$600, (delivered free in any part of the United States, to the first person who can make out the three daughters' faces. S. two-cent stamp for one of the following "Prize Remedies":—"Ford's Prize Pills," "Ford's Prize Catarrh Remedy," or "Ford's Prize Cough Cure." Select any one of the above remedies you desire. Address "The Ford Pill Co.," Cor. Wellington & Bay Sts., Toronto, Canada. The person whose envelope is postmarked first will be awarded the first prize, and the others in order of merit. As this advertisement appears simultaneously throughout the United States, every one has an equal opportunity. To the person sending the last correct answer will be given an elegant **Upright Grand Piano**, valued at \$500.00. To the first person from the last sending a correct answer will be given a gentleman's fine Gold "Sandoz" Watch, which strikes the hours and quarter hours on small cathedral gong at pleasure, and valued at \$300.00. A special prize of a **Silk Dress Pattern** (sixteen yards, any color), or a **first-class Sewing Machine** (any make desired) will be given to the first person in each State in the U. S. who can make out the three daughters' faces. We shall give away 200 valuable prizes, besides special prizes, (if there should be so many sending correct answers.) No charge is made for mailing and packing of prizes. The names of the leading prize winners will be published in connection with our advertisement in leading newspapers next month. Extra premiums will be given to only those willing to assist in introducing our medicines. Nothing is charged for the prizes in any way. They are absolutely given away to introduce and advertise "Ford's Prize Remedies," which are standard and medicines, and will be used in every family for years where they have been once introduced. All prizes will be awarded strictly in order of merit, and with perfect satisfaction to the public. The remedies will be sent by mail, postpaid, and prizes free of duty.

A WATCH FOR EVERY CORRECT ANSWER.

An extra premium of a genuine "Fearless" Watch, (stem winder), will be awarded to every person who sends a correct answer within 30 days after this advertisement appears, in case they should not be fortunate enough to secure one of the larger prizes. That is, if any one can find the three faces and enclose them within 30 days from the time this advertisement appears in the newspaper, they are guaranteed either one of the leading prizes, or an extra premium of a watch on conditions stated. No answer will be noticed that does not contain 30 cents for one of **Ford's Prize Remedies**. Address THE FORD PILL CO., "37," Cor. Wellington & Bay Sts., Toronto, Canada.
